

Meals for Away Games

CHS Boys Basketball 2018-2019 Season

Last season the Booster Club offered an option for parents to purchase “Road Food” for players for away games. This was well received and we are offering it again. Everyone appreciated the convenience in not having to pack meals for players for every away game—especially since we never know what will be offered for concessions at away games.

This year, meals will come from Subway and Quiznos and include a 12” sandwich, chips and a cookie. For 9 away games, the cost will be \$80 total for the season. (*Varsity cost will be an extra \$45 toward food costs at the Chelan Tournament in December.*) Last year, the boys loved homemade treats—if you’re interested in helping with this or with the distribution of the meals, please note that below.

Player preferences for what they would like on their sandwiches will be taken care of at practices. Please contact Nancy if you have dietary restrictions—gluten free is available, but for an extra fee. As an FYI, this is an optional add-on for the season and not required in any way. Additionally, it is not a fundraiser for the Booster Club, we are simply charging cost and providing the convenience for players.

Player Name _____ Team (V, JV or C) _____

Parent Name _____ Parent Cell Number _____

Parent Email _____

I would be willing to help assemble meals for one or more games YES NO

I would be willing to donate treats or produce for one or more meals YES NO

Amount enclosed for my player: (Varsity = \$125, JV & C = \$80) \$ _____

I’m adding this extra amount to support other players and meals for the coaches \$ _____

Total enclosed (check to CRBBB) \$ _____

If you are in need of financial support to provide these meals for your player, check here _____
